

**Statement from New York State  
Conservative Party  
Chairman Gerard Kassar on  
Appointment of  
Antonio Delgado as Lt. Governor**

Brooklyn, NY - “Kathy Hochul and the Democratic Party have no compunction about changing laws to benefit themselves personally. Yesterday they amended long-established election law solely to relieve Mrs. Hochul of a running mate who has been indicted for corruption. Today they replaced the former Lt. Governor with a member of Congress who was likely to be defeated in November and needed a political lifeline. Will the Democrats ever realize that state government isn’t all about them? Fortunately, the voters will have the opportunity to educate them in November.”
