George Heidcamp, Sr.
Conservative Chairman

May 6th, 2021

To Whom it May Concern:

We, the undersigned, are excited to present Saugerties' voters with a fantastic slate of candidates for the 2021 election. A team of dedicated candidates who truly care about our community and its future growth. These candidates bring a variety of qualities and beliefs to the table, such as youth, experience, knowledge, integrity, accountability and transparency. They are dedicated to serving the residents and taxpayers of Saugerties and, as such, are fully prepared to be accountable for their actions.

For County Legislative District 1, newcomer **Gregory Roque** (USAF, Ret., MSGT/E-7), who has spent 21-years serving our nation, would like to extend his service to our county and is seeking election to replace Mary Wawro who is not running this year. For County Legislative District 2, **Al Bruno**, a lifetime Saugerties resident and current Legislator, is seeking re-election. And for County Legislative District 3, **Dean Fabiano**, also a lifetime resident of Saugerties, is seeking re-election. Dean has served as our County Legislator in his district for many years.

Lisa Stanley, born and raised in Saugerties, is seeking re-election as Town Clerk after having served in that position since 2004. Lisa brings 17-years of exemplary service and experience to the office of Town Clerk.

Ray Mayone, life-long Saugerties resident, is seeking the position of Superintendent of Highways. Ray brings a wealth of knowledge and experience in many facets of municipal, commercial, residential and industrial construction. He specializes in excavation, grading, water and sewer construction. Ray will be an absolute asset to our community.

Zachery Horton, another life-long resident and Saugerties High School graduate who is an alumnus of the College of Saint Rose majoring in behavioral law and criminology. Zach loves this community, he is ambitious, energetic and eager to serve the people of his beloved hometown.

Mary "Peg" Nau is a very well known, much beloved and admired individual who has very deep roots in this community. Peg served as the Receiver of Taxes for Saugerties for more than 25-years and has received the endorsements of all political parties over that time. She has been active in the community for many years as past-president and a current member of the

Kiwanis Club and Monday Club. She is also a current member of League of Woman Voters, as well as several other organizations.

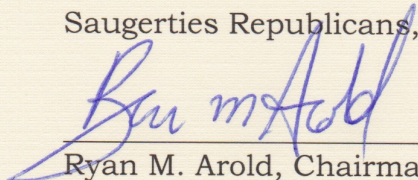

Paul Andreassen's departure from the town board in September 2020 created a vacancy that needed to be filled. Peg Nau, along with eleven other candidates applied for the position and Peg was ultimately appointed by the unanimous affirmative vote of the board members. The following are board member quotes and comments with respect to the appointment of Peg Nau to fill the empty seat on the board:

- Supervisor Costello praised Peg as *"our former Tax Collector who ran the department in a bipartisan way."*
- Costello said, Peg *"is a very valuable member for the board."* LeAnne Thorton echoed the praise, extending her congratulations and saying that she is *"looking forward to working together."*

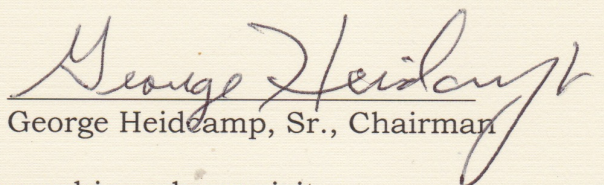

We are appreciative that the current town board voted unanimously in October 2020 to appoint Peg to the open position and anticipate seeing all our candidates elected on November 2, 2021. We thank Fred Costello and Leann Thornton for their support of Peg Nau.

Please support each and every one of these fine candidates on Tuesday, November 2, 2021.

Saugerties Republicans,

Ryan M. Arold, Chairman

Saugerties Conservatives,

George Heidecamp, Sr., Chairman
