

County Legislator Mary Wawro

Invites you to:

RECYCLING INFORMATION SESSION

Do you have questions about recycling? Curious where your trash goes or how waste impacts our environment? Come learn how you can make a difference! Join the conversation about how simple actions and creative thinking can make a huge difference in waste reduction and recycling. This talk will help you rethink how you buy, use and dispose of things every day and will cover all the Do's and Don'ts of recycling.

FREE ADMISSION!
