★★★ U.S. SENATE ★★★

Arnette,

As I'm sure many of you witnessed yesterday, the New York Jets did the almost unthinkable - being the largest home underdog with a winning record - and beat the Buffalo Bills.

We live in incredibly interesting times where anything can happen. And if Lee can pull off a win tomorrow, then we can too!

[Help us with our Final Countdown Fund to shock the WORLD!](#)

We know that Schumer takes this seat for granted. We know that he uses everyday New Yorkers' struggles and plights to advance his own power. Tomorrow, we say ENOUGH IS ENOUGH, and FIRE CHUCK SCHUMER!

We may be underdogs tomorrow, but I will not stop fighting for you. Stay focused, make sure you vote and bring friends to vote. With your help and a little bit of luck, we could beat Chuck Schumer.

I appreciate your support,

Joe
