

SUE SHOWS UP

Sue understands the challenges our families face because she's lived them. That's why she's never afraid to stand up and speak out when it comes time to champion causes that make a difference for our community.

Senator Sue Serino is a strong, independent voice we can trust and she's delivered results:

- ✓ **Advancing** the largest middle class tax cut in 70 years and rejecting new taxes and fees;
- ✓ **Securing** funds to improve education, infrastructure, veterans services, mental health resources and Lyme and tick-borne disease research;
- ✓ **Leading** the fight to repeal dangerous policies that jeopardize public safety like bail 'reform' and the HALT Act;
- ✓ **Opposing** mandates that hurt our family farms and threaten to increase costs for all consumers;
- ✓ **Opposing** policies that will drive up the already high cost of gasoline, home heating oil and energy; and
- ✓ **Refusing** taxpayer-funded travel expenses.

SUE SERINO: STRONG. INDEPENDENT. LEADERSHIP.
