

# SUE IS WORKING FOR YOU.

- ✓ **MAKING OUR COMMUNITIES MORE AFFORDABLE** Sue knows that if we want to make New York a place where people want to live instead of leave, we have to reduce the cost of living, drastically cut taxes, create more affordable housing, bolster access to quality childcare and create good paying jobs.
- ✓ **PROTECTING PUBLIC SAFETY** Sue has been a leader in the fight to fix bail reform and restore safety across New York.
- ✓ **STANDING UP FOR SENIORS** As the Ranking Member of the State Senate's Aging Committee, Sue has been a strong voice for our seniors, working to reduce prescription drug costs, prevent elder abuse, fight for answers for those who lost loved ones to COVID-19 in our nursing homes and ensure all New Yorkers can age with dignity.
- ✓ **SUPPORTING OUR VETERANS** Sue is proud to have secured funding to bring the Joseph P. Dwyer Veterans Peer Support Program to Dutchess County and has successfully fought to preserve and expand the program across NY to ensure our veterans have access to the resources they need to thrive.
- ✓ **ADDRESSING MENTAL HEALTH CHALLENGES & THE OPIOID EPIDEMIC** With mental health and addiction challenges on the rise, Sue is committed to ensuring our neighbors have access to the services they need to make their mental well-being a priority.
- ✓ **SUPPORTING SMALL BUSINESS** Sue knows that our small businesses are the backbone of our community, which is why she fights tirelessly to cut red tape and reduce costs.

# EXPERIENCE MATTERS

New Yorkers are struggling and we need leaders with the right experience to make a difference. I went to work when I was 15 and never stopped. I've been a single parent, having to balance multiple jobs to pay bills. As a small business owner, I know how hard it is to make payroll, balance a budget and navigate a recession, and I know from experience the impact it has when out-of-touch politicians make it impossible to get by.

It's that life experience that drives me to always do right by our neighbors. And now, I'm putting that experience to work for you in the State Senate and delivering results:

- ✓ **Rejecting new taxes and fees;**
- ✓ **Refusing taxpayer-funded travel expenses;**
- ✓ **Securing record funding for education, workforce innovation, infrastructure, and to combat Lyme disease;**
- ✓ **Putting public safety first.**
