Dear Mr. Lopez,

In recognition of your commitment to defending vulnerable persons from conception to natural death, the New York State Right to Life State Political Action Committee is pleased to endorse your candidacy in New York's 103rd state Assembly district in the 2026 election.

We appreciate your partnership in standing strongly in defense of preborn children, the medically dependent, people with disabilities and all innocent members of the human family who are continually at risk from laws that both threaten and fail to protect them.

We wish you success and look forward to working with you as we together build a culture of life.

Best wishes for victory on November 3, 2026!

Sincerely,

Nina Van Valkenburgh
Chair, Board of Directors
